Ready-to-print resources for bringing world languages to every stop.

MANGO

Welcome to the Mango Mobile Library Kit

Your mobile library connects the community to knowledge on the go - and now, Mango Languages can come along for the ride! This kit is designed to help you promote world language learning at every stop, outreach event, and pop-up library visit.

Inside you'll find:

- **Patron-Facing Materials:** Ready-to-print bookmarks and flyers to spark curiosity and engagement.
- **On-the-go Displays:** Mini posters that make Mango visible and inviting even in compact spaces.
- **Engagement Tools:** Fun, interactive activities like language challenges and phrase cards to inspire exploration.
- **Staff Resources:** Quick scripts, FAQs, and phrase cards with QR codes to make promoting Mango effortless for your staff.

How to Use This Kit

- **Print and Cut:** Each resource is sized for standard 8.5x11 printing.
- **Display and Distribute:** Use printables at mobile stops, school visits, and community events.
- **Engage and Share:** Encourage patrons to scan QR codes, sign up for Mango, and explore languages together.

Everything in this kit is designed to make language learning visible, fun, and accessible - wherever your library goes.

Short Intro

“Have you heard of Mango Languages? It’s a language learning resource available through our library, free! You can learn over 70 languages - including English for non-native speakers - right from your phone, tablet or computer!”

Highlight How it Works

“All you need is your library card. You can download the Mango app, or visit our library’s website to log in. We recommend signing up on a laptop or desktop computer first, and then using the app. It’s perfect for learning on the go - whether you’re practicing Spanish, brushing up on French, or trying something completely new like Japanese or Hawaiian.”

Engagement Tools and Features

“Mango isn’t just about vocabulary - it teaches real conversation skills and includes culture notes, pronunciation practice, and fun reading and listening activities. If you’re studying a language at school, Mango is a great way to practice outside of class. Families can even create multiple profiles under one account, so everyone can learn together!”

Closing CTA (Call-to-Action)

“Here’s a bookmark/QR code you can take - just scan, find our library, and sign up. From there, you can start learning today!Give it a try before our next stop! I’d love to hear what language you picked to start!”

Mango Languages - Patron FAQ Sheet

Quick answers for helping patrons on the go!

How do patrons access Mango?

You can access Mango from any device - computer, tablet, or phone.

1. Go to your library's website and find the Mango link under "Online resources" or "Digital Resources."
2. Sign up using your library card.
3. Download the app and begin learning on the go.

*We always recommend to sign up on a computer or desktop before signing in on the app.

Does Mango work offline?

Yes! You'll need an internet connection to log in and download lessons. However, users can download lessons in the app to continue learning without an internet connection - perfect for mobile or rural communities.

Where can I get help if I'm having trouble?

Patrons can visit the library for assistance or contact Mango Support directly through the "help" section on Mango's website or app.

*Library staff are encouraged to reach out directly to your library's Customer Success Manager for help.
