Mango Reader

Turn any web page into a language learning experience.

Mango Reader allows you to quickly:

- Get a translation of a word or phrase
- Get the meanings of a word and example sentences that illustrate each meaning
- See grammatical information about a word
- See verb conjugation charts for a verb
- Get an example pronunciation audio for a word
- Add a word to 'My Vocabulary' so you can practice and learn it later

Mango Reader is available in the following languages:

- Arabic (MSA)
- Chinese (Mandarin)
- French
- German
- Greek
- Hebrew
- Italian
- Japanese
- Korean
- Portuguese
- Russian
- Spanish

Available in the Chrome Web Store
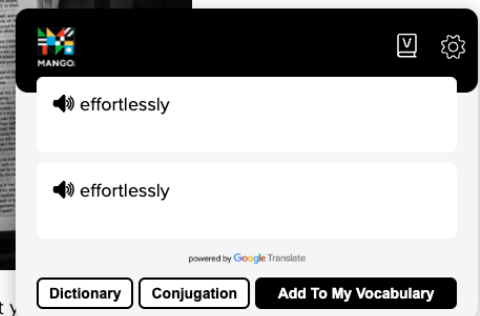

mangolanguages.com

MANGO®

Mango Reader

Just follow these simple instructions:

- Install the extension
- Go to your favorite website(s) in the language you're learning
- Double click on any word or hold down the "alt" key and select a word or phrase
- Edit the phrase or translation and click "Add To My Vocabulary" to save it for later
- Access your saved words and phrases through our product on web, Android, or iOS and study your words and phrases
